

### ANYFIELDS Webinar

Quick & Simple tools to improve  
your RF antenna testing processes

15 May 2025 - 2pm

Registration: send an email to [matech@matech.fr](mailto:matech@matech.fr)

### Webinar – Quick & simple tools to improve your RF antenna testing 📡

📅 May 15 | 2:00 PM (CET)

Testing RF antennas doesn't have to be complex or time-consuming.  
In this webinar, we'll share practical, easy-to-implement tools that can help you.

- 🔍 On the agenda:
- ✓ Prototype antenna diagnostic
  - ✓ Antenna validation on assembly line
  - ✓ Antenna performance testing - aircraft use case

🎤 Speaker:  
Adrien Laffont, Director of Innovation @ ANYFIELDS
